Join us for our international symposium in London: Living Better with Marfan, Loays-Dietz, and VEDS, hosted by The Marfan Foundation, Marfan Trust UK, The Aortic Dissection Charitable Trust, and Annabelle's Challenge with sponsor Terumo Aortic.

Presentations will feature medical experts from the UK and around the world geared to affected people and their families. Attendees will have the opportunity to network with the experts and get their questions answered.

When: Saturday, August 31, 9:00 am - 4:00 pm BST

Where: Radisson Blu Edwardian Bloomsbury Street Hotel

Cost: Free (registration is required)

In addition, there will be a breakfast and Creating Connections luncheon so attendees can network with others in the community who are on a similar medical journey. A special program for children ages 5-12 is available while the parents listen to presentations. Children living with Marfan, LDS, and VEDS are welcome, along with their siblings. Lunch will be together with their parents.
